

***Invisible Man* Writing Assignment One: Chasing an Allusion**
Due 1/18/2019, 30 pts

Choose one intriguing allusion from *Invisible Man* (Prologue through Ch. 10), research the reference, and then in 1-2 pages (double-spaced), explain the allusion (its historical context and significance) and its significance to what we have encountered in the novel so far.

Remember, an allusion is "an expression designed to call something to mind without mentioning it explicitly; an indirect or passing reference." Allusions are often (but not always) proper nouns. They can be people, places, works of art (including music and literature), historical events, quotes from other works, etc.
